Inspiration for Nick & G's' name comes directly from owner Sandra DiCicco, who has been cooking up impressive meals for her hometown of Clovis, California for over 30 years. Through her family-owned and operated DiCicco's Italian Restaurant, Sandra passed along her passion for cooking to her children, Nicolas ("Nick") and Gianina (G). Sandra always says, "Where there is food, there is family!" which is why the recently opened establishment welcomes friends and families alike.
